The Fiscal Policy Council

Stockholm
9 December, 2014
The Swedish Fiscal Framework

- Top-down budget process (preparation in Government as well as decision in Parliament);
- A fiscal surplus target for general government net lending of 1% of GDP, on average, over the business-cycle;
- Central government expenditure ceiling set 3 years in advance; decision by Parliament;
- Balanced budget requirement for local governments;
- Since 2007, a Fiscal Policy Council with a broad remit (to facilitate transparency and accountability).

Note: The strength of this framework depends on the political will to respect it…

The tasks of the Fiscal Policy Council

1. Focus on *ex post* evaluation, with some *ex ante* evaluation;

2. Evaluate whether the fiscal policy meets its objectives:
   - Long-run sustainability;
   - Surplus target;
   - The expenditure ceiling;
   - Stabilization issues.

3. Evaluate whether the developments are in line with healthy sustainable growth and a sustainable high employment;

4. Monitor the transparency of the government budget proposals and the motivations for various policy measures;

5. Analyse the effects of fiscal policy on the distribution of welfare;

6. Contribute to a better economic policy discussion in general:
   - Annual report in May (this year May 15);
